

FMT Inspired Therapists

Advanced Physical Therapy, Inc. is an outpatient orthopedic manual therapy clinic owned by former IPA Primary Instructor Timothy Wittenauer, PT, CFMT and located in Midlothian, VA (a suburb of Richmond). Tim is also the Director of Sports Performance and Rehabilitation and the team physical therapist for the NHL Florida Panthers. Our highly respected clinic has been serving the Richmond metropolitan community for over 20 years.

We have immediate openings for up to 2 full-time physical therapists who are committed to honing his/her manual skills and in ultimately seeking certification in Functional Manual Therapy with the IPA. Continue to develop your skills and learn new ones in a comfortable and supportive clinic. Become part of a small, motivated, cutting edge practice. Work in a very pleasant, bright, and open clinical environment with a superior and supportive staff and a highly motivated patient base. Enjoy excellent educational benefits and a competitive salary. Most importantly, we offer an environment for the physical therapist who wants to be proud of his/her manual skills and of his/her profession.

Experience is preferred, but new/recent grads will be strongly considered if they have a strong interest in manual therapy.

The Richmond metropolitan area is a prime location. Though Richmond has a relatively mild climate, we do experience all four seasons. We are an hour and a half south of Washington, DC. To the east, we are just over one hour from the Atlantic Ocean and to the west, just over one hour from the Shenandoah Mountains. In your free time, you can surf and swim, ski or hike, sight see, tour plentiful vineyards and breweries, and attend countless food, music, and art festivals year-round. And you don't even have to leave the area to enjoy your outdoor activities.

Richmond boasts kayaking, rafting, tubing and canoeing in the James River, miles of hiking and biking trails throughout James River Park and is one of the only cities in the country with a class 5 rapids within the city limits! The University of Richmond and Virginia Commonwealth University call Richmond home. There are numerous museums and theatres in town, and Richmond is quickly becoming known as a "foodie" town with loads of restaurants offering every kind of cuisine.
