

***Beyond Basics Physical Therapy in New York City is looking for a Physical Therapist to join our growing team.***

We are primarily a pelvic floor practice, but also see orthopedic cases, pediatrics (pelvic floor), and complex abdominal pain cases, to name a few. As a practice, we offer services for women's health, pelvic floor dysfunction in men, women and children, orthopedics, infertility, pre-natal & post-partum care. Our specialty includes manual therapy, and hands on, 60 minute one-on-one treatments.

This case load offers the clinician the unique opportunity to put together FMT, visceral mobilization, patient education, problem solving, and critical thinking skills, as well as collaborate with other practitioners. Please see the description below for more details and feel free to contact us for more information.
