

Beyond Physical Therapy PTA Job Post (Part Time/PRN)

Job Summary:

We are seeking a dedicated and energetic PT or PTA to join our team as a part-time employee (25 hours per week) with full-time potential after a few months.

Must be proficient in orthopedic rehabilitation and chronic pain/dysfunction management with 1-2 years' experience in outpatient PT.

BPT prioritizes hands-on and 1-on-1 care so your treatment time will need to be heavy in patient education, breaking down movement patterns, and manual therapy.

At BPT, we prioritize individualized patient care with the following standards:

- One-on-one patient appointments - no double booking.
- Whole-person assessments to address full body contributions to dysfunction and symptoms.
- Functional manual therapy
- Treatment is heavy on patient education in pathology as well as the joint deviations, soft tissue imbalances, and the neuromuscular/biomechanical dysfunction associated with their symptoms/complaints.
- Extensive professional development for pathology and systemic concepts beyond typical PT to improve outcomes.

Mentoring and CEU reimbursement for all BPT therapists focuses on treating our patient population. Here is a list of specialties and skills we use regularly in our clinic:

- | | |
|-----------------------------------|---|
| • Pelvic Floor Therapy | • Visceral, Neural, & Vascular Manipulation |
| • Sports Medicine | • Craniosacral Therapy |
| • Orthopedic Rehabilitation | • Dry Needling |
| • FMT - Functional Manual Therapy | • ASTYM/Graston |
| • Myofascial Release | • Clinical Neurorehabilitation
(proprioception, kinesthesia) |

We prioritize our clinicians with emphasis on quality, focused work, but also strive for work-life balance. We are a small clinic with a goal of quality care. Quality clinicians = quality care.

Benefits:

- Mentorship
- Opportunities for advancement
- CEU Reimbursement

Experience:

- Orthopedic Rehabilitation (1 year Preferred)
- Chronic Pain/Dysfunction Rehabilitation
(1 year Preferred)
