

BODY IN BALANCE

PHYSICAL THERAPY

Position Title:

Part-time Physical Therapist (20+ hours/week) with opportunity to grow into full-time if desired

Position Summary:

Body in Balance Physical Therapy is hiring a Physical Therapist for our Brookfield location. We pride ourselves on one-on-one care, with one-hour evaluations and treatment sessions for every patient. All aspects of the care plan are carried out by the P.T. (no aides/techs/PTA's), and we are known for advanced manual therapy techniques. Located in a health club, we generally work with a highly motivated patient population, who have high expectations from their Physical Therapist. This wide-ranging orthopedic population includes weekend-warriors, college and high-school athletes, and active middle-aged and seniors who want to return to their active lifestyle and function optimally.

Qualifications Needed:

- WI State Physical Therapy License
- Strong manual therapy background/skills---completed coursework from Institute of Physical Art and/or Myopain Seminars highly preferred
- Preferred candidate will have great interpersonal skills and possess excellent communication skills
- 3+ years experience working in outpatient setting preferred
- The ideal candidate will help grow the practice by developing relationships with patients, club members, and staff to generate referrals and growth our brand

We Offer:

- Competitive pay with room to grow
- Ability to manage your own schedule and hours within the needs of the practice
- Cont. ed. Allowance annually depending on number of hours
- CFMT on staff/mentoring available
- Free health club membership included

TO APPLY: apply by email to adam@bodyinbalancept.com with current resume and comprehensive Cont. Ed.
