

Part time position available at The Center for Integrated Manual Therapies (CIMT), a cash-based manual physical therapy practice in Central Maryland. Our treatment sessions are one hour in length. We are looking for a CFMT, or a therapist on track to become certified, to join our team, and work primarily in our Annapolis office.

Karen Johnson, MPT, CFMT, co-founded CIMT in March, 2000. We have regular in-services, emphasize continuing education, and are a site for the IPA Orthopedic Residency Program. We offer a highly competitive salary and benefits package, as well as a flexible work schedule.

In addition to working with 4 highly skilled manual physical therapists, you will have the opportunity to collaborate with strength and conditioning coaches, yoga and pilates instructors, and medical and health professionals.

Additional information about CIMT is available at our website:
www.cimtpt.com.

Please contact Karen Johnson, MPT, CFMT, at karen@cimtpt.com, if you have questions or are interested in applying for a position.
