

Capacity Performance Therapy is seeking a part time progressing to full time physical therapist to join our team in Bend, Oregon. Our treatment philosophy is a blend of performance therapy with IPA's Functional Manual Therapy. Candidate must have both strong manual therapy skills and high-level strength and conditioning.

Capacity Performance Therapy is a growing cash based out-patient clinic that is owned by a physical therapist. We have been open for 1 year and are growing fast. Our mission is to provide comprehensive care to athletes and active adults helping them reach their untapped potential in fitness and life with the goal of optimizing movement and fitness to live life to the fullest. We are breaking the mold of traditional physical therapy blending rehab, fitness, and wellness training. We are seeking a PT with a similar mindset.

Minimum Qualifications:

- Current Oregon Physical Therapy License
- Graduation from APTA approved school (BS, MS, or DPT)
- Preferred 1-year experience, but new grads are welcome if have taken IPA coursework, completed IPA-based internship, or highly motivated for extensive continuing education.
- Interest in Functional Manual Therapy

Benefits:

- Flexible work schedule
- Hour long treatments with high bonus pay structure
- Fun work environment collaborating with in house strength coaches
- Motivated and supportive team
