

Corinthian Physical Therapy is looking for a highly trained and experienced manual physical therapist for a 1:1 hourly manual physical therapy practice in the Grand Central station area. Contractor position.

Corinthian Physical Therapy is a highly recognized manual osteopathic practice in midtown Manhattan. We are one of the first manual therapy practice in NYC, established over 30 years ago. Corinthian is a small boutique orthopedic private practice with private therapy rooms in a very unique quiet homey atmosphere.

The ideal candidate is someone with 8+ years of experience. It essential to have very strong manual skills, diverse manual training preferably IPA, Michigan State or NAIOMT. Were looking for someone personable, passionate and desire to expand the practice.

Hours are extremely flexible, treatments are one hour long and one on one with each patient.

Strong financial incentive for referrals and opportunity to expand their own client base.
