

We are seeking a passionate, outgoing, Physical Therapist for a part-time or full time position to join our growing team in Fort Lee, NJ.

We are a team that looks at patients through a holistic lens. We work with a variety of complex conditions ranging from acute/chronic orthopedic conditions, migraines/headaches, TMJ, pelvic health, to name a few. Our Physical Therapists are Certified in Functional Manual Therapy® (FMT) through the Institute of Physical Art and also continue to integrate FMT with different paradigms including but not limited to: Visceral/Neural manipulation, Dynamic Neuromuscular Stabilization, Postural Restoration Institute, and Dry Needling. All of our sessions are 60 minute one-on-one treatments in private rooms that are guided entirely by the Physical Therapist.

We offer:

- On site clinical mentorship through bi-weekly in-services
- Weekly one on one roundtable discussions, co-treats, mentorship during on-boarding phase
- Competitive salary/bonus structure
- Benefit options based on full time vs part time status (ie. PTO, Medical, Sick pay, Simple IRA Matching)
- Continuing Education allowance
 - For CFMT candidates - CFMT test fee allowance contingent upon passing

We are looking for:

- Minimum 1-2 years experience in an orthopedic / manual therapy setting
- Physical Therapy license in the state of New Jersey
- Excellent interpersonal and organizational skills
- Excellent written and verbal communication skills
- Ability to work autonomously
- Team player who promotes learning and growth among colleagues and patients
- Preference given to candidates with training in FMT, CFMTs and/or those registered for CFMT test
- Preference given to candidates with pelvic health experience / certifications
- Reference list required and submitted with application

We are excited to chat/meet with those who may be interested in joining our growing team! Please submit your personal CV and resume to sang@equilibriumnj.com.
