Job description

We are looking for a motivated manual orthopedic physical therapist to join our team @ FFPT. We are a one on one patient to therapist office with 30 min treatment slots and one hour IE's specializing in precise evaluation, appropriate STM, joint mobilizations, neuromuscular reeducation and specific postural and HEP teaching. Each patient enters and leaves with valuable tools to treat their present condition and prevent any future dysfunctions. We are interested in a therapist who has had continuing education through the IPA (Institute of Physical Art) or who is interested in this approach. We are also a member of the Hospital for Special Surgery's Rehabilitation Network for the past 21 years which ensures a diverse patient population. We prefer a therapist with more than 2 years of experience but will consider a new graduate. Weekly mentoring sessions from a CFMT (Certified Functional Manual Therapist) and a competitive benefits package is available.
