

Healing Motion Physical Therapy (HMPT) is a private practice in Brooklyn, NY looking to bring on a part-time PT with potential growth towards a full-time position. Our patient population is primarily adult orthopedic, however we treat a wide variety of ages ranging from as early as 7 years old to patients in their 80s and 90's. We are seeking a therapist with strong clinical knowledge of functional manual therapy, who is enthusiastic, energetic, and has a willingness to think outside the box. The position would begin at 12-14 per week, with room to grow. Compensation is highly competitive. At HMPT, we currently have one CFMT on staff and another sitting for CFMT in 2026 which creates an exciting opportunity to learn and improve in the FMT approach to patient care. At our clinic, we take pride in our 55 minute sessions to allow generous time with each patient and provide excellent care. The start date is flexible but ideally we would like to begin in February.

Requirements:

- DPT or MPT degree
- Completion of IPA classes (PNF, CFS, FM1 and some of the upper level IPA classes)
- NYS License
- at least 2 years of experience

If interested, please send your resume to:
