

Innovate Physical Therapy is seeking a part time/full time physical therapist to join our team in Colorado Springs. We are looking for PT's with an interest in Functional Manual Therapy. Candidate must have strong manual therapy skills.

Innovate PT is a growing out-patient clinic that is physical therapist owned. We have been open for 8 years and have already earned a great reputation within our community. Our desire is to get our patients back to doing the things they love by finding and treating the root cause of the problem. We do this with an energetic and personalized approach to each patient that ranges from post op rehab, chronic pain, to working with athletes. We are seeking a PT with the similar mind set.

Minimum Qualifications:

- Current Colorado Physical Therapy License
- Graduation from APTA approved school (MS, or DPT)
- Preferred 1-year experience, but new grads are welcome if have taken IPA coursework, completed IPA-based internship, or highly motivated for extensive continuing education.
- Interest in Functional Manual Therapy

Benefits:

- Flexible work schedule
- Competitive Salary & Bonuses
- Paid Continuing Education
- Paid Time Off
- Fun work environment
- One-on-one treatments
