

## Full-Time Physical Therapist — IPA Mentorship Track (Future CFMT) | Jacksonville, Florida

<https://mymanualpt.com/>

**Innovative Physical Therapy** – Southside location of Jacksonville, FL

**Practice Type:** Outpatient | 1-on-1 Care | Manual Therapy | Cash-Based & Medicare

### Who We Are:

**Innovative Physical Therapy** is a therapist-owned, manual therapy–focused outpatient clinic serving Jacksonville, Jacksonville Beach, Ponte Vedra Beach, and the surrounding areas. We're known for providing high-quality, hands-on care in a setting that prioritizes patients over productivity quotas.

Our owner/director, **Aaron Robles PT MPT CFMT**, is the **only Certified Functional Manual Therapist (CFMT) in North Florida**. We're committed to mentoring motivated clinicians who want to deepen their manual therapy skillset and grow through ongoing learning with the Institute of Physical Art (IPA).

Our community offers affordable living, warm weather year-round, and abundant outdoor recreation such as surfing, boating, fishing, biking, and golf. Ponte Vedra provides upscale amenities and top schools, while Jacksonville provides big-city access with variety, and Jax Beach offers a classic, vibrant beach town feel. The best of everything is in one location, with the added bonuses of the historic city of St Augustine close by as well as Disney, Universal and all that Orlando has to offer within a two hour drive.

### The Opportunity:

This is an ideal position for a PT who wants to:

- Practice in a clinic where **care comes first**—not volume
- Develop advanced hands-on skills with **daily mentorship**
- Learn and apply **Functional Manual Therapy®** principles
- Pursue a clear pathway toward becoming a **future CFMT**

## What You'll Do:

- Provide **one-on-one, hands-on care** to motivated patients
- Integrate Functional Manual Therapy® concepts into evaluation and treatment
- Collaborate with experienced clinicians to sharpen clinical reasoning
- Participate in mentorship sessions and continuing education
- Help deliver an exceptional, personal patient experience

## What We Offer:

- **Full-time position**
- Salary: \$70,000-\$85,000 (based on experience)
- Potential to grow into bonused clinical director role
- Caseload is typically 6-9 patients per day
- Most sessions are 55 minutes
- Benefits: Health insurance, Dental, Vision, PTO, 401(k), Retirement plan
- Professional development allowance (including IPA courses)
- Mentorship from the only CFMT in North Florida
- Supportive, growth-oriented team culture that values initiative and authenticity

## Who We're Looking For:

- Florida-licensed PT or eligible for licensure
- Passion for manual therapy and functional movement
- Coachable, growth-minded, and excited about mentorship
- Strong communicator and team player
