

## **Part-time Physical Therapist Position**

**Inspire Physical Therapy** is a locally owned cash-based clinic in the heart of Richmond, VA that was established in 2018. We are looking for a part-time physical therapist with the opportunity to grow as your caseload grows!

Come join a clinic that firmly believes in maintaining a supportive work/life balance with the ability to choose your hours. Treatments consist of 80-minute initial evaluations and 55-minute follow-up sessions of complete one-on-one care. This setting is ideal for someone who prefers working in a quiet and focused environment. Plenty of mentorship and support with monthly scheduled time to practice and learn together.

Compensation is dependent on experience and skillset, ranging from \$70-\$90 per treatment hour.

Required qualifications:

- Current physical therapy license for the state of Virginia.
- At least 2 years of experience as a PT in the outpatient setting
- Strong manual therapy skills or the desire to further enhance manual therapy skills.
- Desire to achieve CFMT is preferred.
- Someone who loves to learn and loves to help patients that did not find relief after going to a “traditional” PT clinic.
