Title: Part-Time/Full-Time Physical Therapist (ortho/pelvic floor ideal, but not essential)

Location: R3 Physio(www.r3physio.com), Keller, TX

Are You Ready to Transform Lives at a Clinic Where Holistic Care Meets Personal Growth?

R3 Physio isn't just a clinic; it's a haven for healing and innovation in physical therapy. We are a team where empathy meets expertise, and where each day brings a new opportunity to make a profound difference in our patients' lives. If your passion lies in holistic patient care, if you believe in treating the person, not just the symptom, and if you're eager to grow in an environment that values your development as much as our patients' health, you belong with us.

At R3 Physio, You Will:

- Thrive in a setting that cherishes a systems-based approach to physical therapy, understanding the interconnectedness of body systems.
- Be part of a team that puts people first – where self-care and compassion are paramount, and where every patient's story is heard and valued.
- Experience a nurturing, low-stress work environment that encourages innovative thinking and continuous learning.
- Play a pivotal role in a patient's journey to wellness, focusing on comprehensive, root-cause treatments rather than quick fixes.

We are not the norm – we are intentionally disruptive in our approach, challenging traditional methods to provide care that's not just effective, but transformative. Join us at R3 Physio and be a part of a team that's redefining physical therapy in Keller/Ft. Worth.

We are what you have been looking for.*

At R3 Physio, we're not just about physical therapy; we're about transforming lives. Our approach is holistic, our environment, nurturing, and our mission, impactful. We're seeking a Part-Time Physical Therapist specialized in Pelvic Floor Therapy who is ready to grow into a full-time role and embodies our core values.

About Us:

R3 Physio is a beacon of innovation and compassion in the Keller/Ft. Worth medical community. We focus on holistic physical therapy, viewing each patient's journey through a lens of interconnected body systems. Our core values are the heartbeat of our practice:

- **Put People First:** We prioritize self-care and compassion, understanding that to care for others, we must first care for ourselves.
- **Excellence and Integrity:** Our commitment is unwavering - we do what we say, always choosing integrity and excellence.
- **Be Intentionally Disruptive:** We challenge norms, embrace innovation, and advocate tirelessly for those we serve.
- **Foster a Listening Environment:** Every client's story is heard and valued here.
- **Be a Guiding Light:** Operating with a gospel-centered focus, we aim to illuminate the path to wellness.
- **Commitment to Education:** We are as dedicated to teaching and training therapists as we are to treating our clients.
- **Community Enhancement:** Our mission extends beyond our clinic, aiming to uplift the entire community.
- **Whole Life Health:** We promote an ethos of total health and wellness.

Your Role:

As a Physical Therapist with us, you will:

*We are not traditional physical therapy.
We are what your body knows it needs.
We are what you have been looking for.*

- Conduct in-depth assessments and holistic treatments, with a focus on pelvic floor therapy and orthopedic care.
- Collaborate within a team that values innovation and holistic health.
- Be part of a nurturing environment where your growth and education are prioritized.
- Help shape a clinic culture that is a guiding light in holistic healthcare.

Before applying for this job, ask yourself:

- Are you tired of seeing 12-20 patients a day?
- Do you feel like you have more potential to care for patients?
- Do you want more freedom to treat the way you know you can help people?
- Are you waking up each day and just going to a “job,” but would love to wake up and go to your “calling” and your “purpose?”

If you answered yes to at least one of those questions, and you feel that you could be the perfect fit for R3 Physio. Let us know!

Why is this position so unique?

- See a reasonable caseload (6-8/day), so that you go home feeling energized and happy about the work you did, not drained
- Focus on your client. Get to spend 60 min(or longer in some cases) with your patients one-on-one. Get to know your patient, and build a deeper relationship
- Easy documentation. We are 100% out-of-network with insurance companies, which means less restrictions and requirements
- Unlimited earning potential and ability to grow with the company
- You get to treat the patient on a full spectrum, from injury to wellness and beyond
- Spend your down time researching a case when you need to.
- Have one-on-one mentorship weekly to grow and develop into the best “therapist version” of yourself
- Institute of Physical Art Orthopedic Residency can be considered

*We are not traditional physical therapy.
We are what your body knows it needs.
We are what you have been looking for.*

We Offer:

- Salary: \$75k-85K. Competitive compensation with a pathway to full-time employment.
- Flexible scheduling to balance your professional and personal life.
- A supportive, low-stress environment that encourages growth and innovation.
- A generous amount of PTO and paid holidays
- A chance to be part of a team that's changing lives in profound ways.

Ideal Candidate:

- Licensed Physical Therapist in the state of Texas, specialized in Pelvic Floor Therapy, but also understands the connections to orthopedic issues
- Passionate about holistic, patient-centered care
- Strong Manual Therapy skills (visceral manipulation a bonus, but not a necessity)
- Aligned with our core values, especially the integration of whole life health.
- Excellent communicator, committed to being a 'light' in our community.

If you're ready to join a team where you can be more than just a therapist, where you can be a life-changer, we'd love to hear from you.

To Apply:

- Prepare your resume showcasing your qualifications, your dedication to physical therapy, and the energy you're ready to bring to our team
- Submit your application directly to jasonraccapt@r3physio.com
- Stay tuned for a follow-up, and we'll guide you through our straightforward, transparent interview process.
