

**Unlock your existing potential as a manual physical therapist at SolFuel!  
Specializing in sports medicine and maternal support/pelvic health**

Are you ready to be inspired and energized in your work as a physical therapist?  
Are you ready to truly impact the lives of your patients?  
Are you ready to take your professional development to the next level and provide multidisciplinary collaborative care?

If this sounds like you. Look no further.

SolFuel is ready to add you to our team of highly trained, intuitive, and intelligent physical therapists. At SolFuel we focus on not only supporting the health of our patients, but on supporting the health and happiness of our therapists. We believe that happy therapists make happy patients.

At SolFuel you will work less hours, make more money, build your ideal case load, and thrive in an environment that supports collaboration and lifelong learning.

What are you waiting for?

Send your resume to [nicole@solfuelwellness.com](mailto:nicole@solfuelwellness.com) and get ready to unlock your existing potential in life and in work.
