

**Position:** Full-Time Physical Therapist  
**Location:** Reston, Virginia  
**Contact:** Larry Grine, lgrine@vtfc.com

VSI Physical Therapy, PLLC, formerly known as Virginia Therapy & Fitness Center (VTFC), is hiring a full-time salaried Physical Therapist in Reston, Virginia. At VSI PT, the Physical Therapist will work one-on-one for one-hour appointments to provide evaluation and treatment services in our state-of-the-art clinic. This position requires a candidate with comprehensive customer service and treatment model with a blended approach of orthopedic manual therapy and specific exercise prescription. This position is seeking a positive-minded individual who demonstrates a passion for learning and improving their clinical competency to improve the lives of their patients. We are looking for individuals who also have an interest in collaborating daily with physicians and our community and providing exceptional treatment for their patients.

### **Job Responsibilities**

- Responsible for the treatment and well-being of patients and strives to achieve the highest patient satisfaction.
- Provides appropriate electronic documentation and communication to physicians for all patients.
- Promotes efficient and cooperative working relationships with PTs and clinic support teams.
- Communicates with VTFC managers regarding changes, concerns, or requests regarding patients.
- Responsible for educating and developing the clinical skills of other staff PTs or students.
- Assists with clinical affiliations with physical therapy graduate programs.
- Tracks required continuing education courses and staff in-services.
- Collaborate with staff with the dispersal of internal and external marketing materials and marketing campaigns to include handouts, brochures, website content, mailing materials, social media postings, online advertisements, and interactions with referral sources to promote both the clinic and themselves in the community.
- Assist patients with scheduling appointments and questions via return phone calls, email, or face to face communication, as needed.
- Promotes VSI PT programs and services.

### **Skills/Qualifications**

- Post-graduate degree in Physical Therapy from an APTA accredited program.
- Board Licensure by the Board of Health and Medicine of the State of Virginia for physical therapy.
- Experience preferred, but not necessary.
- Interest in manual therapy and interest in developing manual therapy skills.
- Preferred completion of, or enrollment in, a manual therapy curriculum program.
- Promotes organizational behaviors and business practices that benefit patients/clients and society.
- Must possess strong interpersonal and communication skills and demonstrate the ability to form positive relationships with staff and patients.
- Possesses compassion, integrity, altruism, and accountability.
- Effective problem solver and uncritical listener
- Ability to adhere to established guidelines and procedures.
- Comfortable with routines and protocols while capable of accepting change.
- Knowledge ability to use MS Office, including Outlook, Excel, PowerPoint, Word, Excel.
