

Physical Therapist (Part-Time with Full-Time Potential)

Location: Eagle, Idaho

Join a Practice That Values Clinical Excellence and Work-Life Balance

Are you a passionate physical therapist who thrives on helping people achieve exceptional results? We're seeking an experienced **Part-Time Physical Therapist** with the opportunity to grow into a full-time role as our practice continues to expand.

We love serving active adults in our community for quick injury recovery to optimizing performance and more.

Our cash-based and integrative private practice allows you to focus on what matters most—your patients. Without the constraints of insurance-driven care, you'll have the freedom to provide individualized, hands-on treatment in a supportive, collaborative environment - in the way you want to practice.

What We Offer

- Part-time position with the opportunity to transition to full-time
- Competitive hourly wage
- Performance-based bonus opportunities
- Continuing education (CEU) financial support
- Flexible scheduling to support work-life balance
- A cash-based practice with:
 - No insurance authorizations
 - Minimal documentation
 - Longer one-on-one treatment sessions
 - Clinical autonomy to deliver exceptional care
- A positive, patient-centered culture focused on lasting outcomes
- Potential employee owned or partnership opportunity

Why Eagle, Idaho?

Enjoy the best of both worlds—small-town charm with immediate access to Boise's vibrant dining, entertainment, and cultural scene. Eagle is surrounded by world-class outdoor recreation, including hiking, mountain biking, skiing, rivers, lakes, golf, and countless opportunities to enjoy an active lifestyle.

Who We're Looking For

We're seeking a therapist who is committed to clinical excellence and enjoys solving simple to complex movement and pain challenges.

Preferred Qualifications:

- Doctor of Physical Therapy (DPT) with current Idaho licensure (or eligibility)
- Minimum of 3 years of clinical experience
- Functional Manual Therapy® training (CFMT certified or actively practicing) strongly preferred
- Additional manual therapy training such as:

- Barral Institute coursework
- Strain counter-strain
- Other advanced orthopedic, movement re-education and/or manual therapy certifications
- Strong hands-on assessment and treatment skills
- Detail-oriented with excellent clinical reasoning
- Able to achieve efficient, meaningful biomechanical outcomes that optimize human function and overall well-being
- Open to integrating holistic and whole-person approaches into patient care
- Excellent communication skills and a genuine desire to build lasting patient relationships

Our Ideal Team Member

You are curious, motivated, and continually striving to improve your clinical skills. You enjoy collaborating with patients, thinking beyond symptoms, and addressing the root causes of dysfunction. You value autonomy, lifelong learning, and delivering care that truly changes lives. If you're looking for a practice where your expertise is valued, your growth is supported, and your focus can remain on providing exceptional patient care, we'd love to hear from you.

Apply today by sending your resume and a brief cover letter telling us what inspires your approach to patient care. You are welcome to also call or text us to let us know your resume has been emailed. Thank you for your interest!
