

We are looking for a passionate, outgoing, Physical Therapist for a part-time to full time position to join our team at Thrive Physical Therapy in San Diego CA. This is an out of network clinic which means you get QUALITY time with your clients to get them better, faster.

We are a team that looks at patients through a holistic lens. We work with a variety of complex conditions in addition to wellness and performance clients as well. We utilize varying techniques with emphasis on Functional Manual Therapy®(FMT) as one of the owners is a Certified Functional Manual Therapist(CFMT) through the Institute of Physical Art. All of our sessions are 60 minute one-on-one treatments that are guided entirely by the Physical Therapist.

We are looking for someone with the following:

- Confident with their manual skills and integrating neuromuscular and strength training into each session
- Comfortable and committed to getting out of their comfort zone to grow personally and professionally
- Dedicated to teach, coach, and educate the community on a regular basis.
- Give and receive honest and helpful feedback
- Go above and beyond to succeed, both for our clients and the team
- Goal driven and eager to learn
- Minimum 2 years experience in an orthopedic / manual therapy setting
- Physical Therapy licensed in the state of California.

- Excellent interpersonal and organizational skills
- Excellent written and verbal communication skills
- Ability to work autonomously
- Team player who promotes learning and growth among colleagues and patients
- Preference given to candidates with training in FMT, CFMTs and/or those registered for CFMT test - Preference given to candidates with CSCS or other strength and conditioning certifications

We offer:

- On site clinical mentorship through weekly in-services
- Weekly one on one roundtable discussions, co-treats, mentorship especially if applicant is taking IPA courses or training to be a CFMT.
- Competitive salary and bonus structure
- Benefit options based on full time vs part time status (ie. PTO, Medical, Sick pay)
- Continuing Education allowance

If you're afraid of taking initiative; being a part of a team that follows through on commitments, that holds each other accountable to a high standard and unmatched work ethic

...This is probably not the position for you.
